Organization Equipment Application to The KidSport™ Fund

The KidSport™ Fund is a national charity created to assist children from financially disadvantaged families to enter into sport programs where they can develop life skills such as fair play, leadership and teamwork.

The amount and type of equipment collected is limited. Please consider your equipment needs carefully before submitting this application. Be aware that the fulfillment of your application will depend on equipment availability. Eligibility does not automatically ensure any assistance.

Please read the following guidelines carefully before completing this form.

Eligibility Guidelines

- Equipment grants to organizations are designed to help those who would not play a sport without KidSport assistance.
- Equipment will be provided if equipment is available, and on a first come first serve basis.
- KidSport assists children aged 18 and under.
- Must be affiliated with organizations recognized by Sport Manitoba.
- Equipment may be used only in structured sport activities led by a qualified coach.
- KidSport will contact the recipient to collect his/her equipment. **The recipient is responsible for all transportation or shipping costs from the Winnipeg warehouse to its destination.**
- All equipment is previously used and will be distributed as is.
- The KidSport™ Fund will attempt to allocate equipment throughout the calendar year and across the broad spectrum of sports.
